The Benevolent Missions of Atlanta announces its Launch and Fundraiser, Sunday, March 5th 2006, 3-6 pm at The Atlanta Women's Club/Wimbish House

The Benevolent Missions of Atlanta (BMA) will host its official Launch and Fundraiser on **March 5, 2006, from 3-6 PM** at the Atlanta Woman's Club/Wimbish House, Atlanta.

BMA is a non-profit charitable organization with its base in Atlanta. Its mission is totally dedicated to uplifting the lives of disadvantaged and at risk-children all across Jamaica's primary and middle schools, and in the Atlanta Metro area, by offering financial assistance, educational opportunities, and mentoring.

Keynote speakers for the event include Stephen "Cat" Coore, Co-founder and member of Third World Band and Ruel Reid, President of The Jamaica Teachers Association.

Please come out and support BMA in its fundraising drive so it may continue to raise funds to support its educational programs. **All are cordially invited to attend.**

Please RSVP for this event by February 23, and for more information please contact BMA at 678-318-7508, info@benevolentmissions.com, or visit www.benevolentmissions.com.

Our major event sponsors include Air Jamaica, Spirit Airlines, Publix Supermarkets and Jamaica National International Money Transfer.

One of our major Education partner is Family Dermatology and Family OBGYN, Inc. who recently donated 100 computers towards BMA's IT Centers of Excellence initiative.
